Mr. Walker hears some soft cries coming from the back of the activities hall and goes to investigate. In the furthest corner of the room sits a beautiful woman with a bruised cheek. After spending sometime cheering her up the two get more personal with each other.

THE BEAUTIFUL WOMAN

Why are you always so sad, every time I see you it looks as though your crying, even when you smile.

Mr. Walker doesn't want to admit it but he knows that he has to open up to someone or else lose what little hope he has left.

MR. WALKER

It hurts.

THE BEAUTIFUL WOMAN

what does?

MR. WALKER

everything...my body, my soul, it all hurts. My whole life I've never done anything meaningful and now I'm old. What was my purpose in life, why was i born if I was just going to waste my life.

THE BEAUTIFUL WOMAN

Yeah your old, but your not dead.

MR. WALKER

Then why do I feel like a walking corpse. That's what we are, just corpses too stubborn to realize we're dead. We have no time left, the only thing left to do is go out to the cemetery and wait to die.

the beautiful woman has had enough she slaps Mr. Walker and begins to get scold him

THE BEAUTIFUL WOMAN

Now you stop that, you stop that right now. I'm not dead and neither are you, we still have some time left why would you want to waste that. I live my life for what it is right now I'm not sitting here crying about the choices I've made

THE BEAUTIFUL WOMAN (cont'd)
wishing i had done something
different with my life. If you want
to change then change, if you want
to do something new and courageous
then go out and do it. I'm done
being old, I want the rest of my
life to be the way that I've always
pretended it was, exciting, new and
full of passion.

Mr. Walker is stunned no one had ever talked to him with
such passion he can't take his eyes off of her.

THE BEAUTIFUL WOMAN
Now your a man right, right!

MR. WALKER
yes

THE BEAUTIFUL WOMAN
Then kiss me!

The beautiful woman grabs Mr. Walker and passionately they
kiss, it feels like her world explodes with new
possibilities. They pull each other close and make love
right there on the floor, true love for the very first time
in her life.

In the doorway of the activities room hidden in the shadows
is a man watching the two of them together with furry, it is
the beautiful woman's husband.
