At the end of the hall are two door locked with a chain and padlock, behind that is the biggest meanest orderly in all the rest home and he's not exactly looking human. Once he gets a whiff of their scent he grows hostile and begins pounding on the door cracking the chain with each blow. All the men are stunned, but the boxer knows the only way to save them.

THE BOXER  
everybody get inside, leave this  
big guy to me.

MR. WALKER  
what are you crazy, we all run  
inside and lock the door.

THE BOXER  
and what do you think is going to  
happen when he rips that door clean  
off and makes his way in there with  
you

Mr. Walker hates to admit it but they need a diversion to be able to get into the medical hall and clear out the zombies.

THE BOXER

finally get to make up for throwing  
the fight in 72'... I knew god was  
never going to let me forget that.

the military man gives him some vicks vapo rub to sniff and pats him on the shoulder

THE MILITARY MAN

help in there.

The drunk gives him whats left of his private moon shine

THE DRUNK

belly ...and numb you up some too.

Mr. Walker knows this is the only way
