

**V.C.R Entertainment** Announces Postponement of “**Zombie Rest Home**”

FOR IMMEDIATE RELEASE

**San Antonio, TX – V.C.R Entertainment** regrettably announces the postponement of **Zombie Rest Home**, an **action/horror** directed by **Victor Garcia** and produced by **Rori Gonzalez**. The postponement is due to a **similar UK film** about to be released, whose **trailer has caused some unease** throughout possible executive producers and sponsors. After a very long, stressful meeting, it was concluded that the production of **Zombie Rest Home** will in fact be postponed until the producers feel the production will not be affected by the UK film.
